

# Apartment Power Meter ICP Numbers

## Bond Store Apartments

As part of the setting up process when moving into a new apartment, your selected power company provider will ask for the apartment's power meter ICP to set up an account. In most cases, residents do not have access to the power meters to find this information and Administrate wish to assist by providing an online register of apartment ICPs for Mt View Apartments.

Where an ICP is not available (or is incorrect) on this register, residents will be asked to update this ICP register for their apartment. For new apartment owners or new tenants, this will be an extremely helpful asset.

Where there is an ICP and it is noted as being a remotely read Smart-meter – moving residents can get their power suppliers to get initial and final readings.
